Mystery balls and different actions by these famous animation characters keep students on the edge of their seats, making this game highly exciting and effective. You can also try other different search keywords for example ESL PPT Template or other such variations. It won't be necessary to fiddle with the slides, animations, or to make links. One can even add sound bites and music files. Teachers can use it as a warmup to energize the class, a practice activity during the learning phase or at the end of class as a review. That way it will show you on the PPT - Almost like a game show host! Play the game normally. Thanks to Neil at Team Teacher China! Scroll to the bottom and download by pressing the "RED" download button. The amount of students that you should add per group depends on the class size. 26 is a good number because it doesn't overwhelm students with too many options. You can download the Pokemon PPT Bomb Game here: You can add 26 different questions for each letter of the alphabet. To make it even more fun try doing it in "advanced PPT sharing" on Zoom. That will make it easier to keep score as you will be sharing the Powerpoint game. That way you can focus on student engagement. Most of these games are based on movies or TV shows that kids enjoy, so they will have fun with the characters and elements from each story. PPT bomb games provides teachers with a great variety of fun ways to review lesson content in a format that students love. Conclusion A large number of games that were made using the PowerPoint bomb game generator can easily be adapted to be used in the classroom. In the school, teachers can also use PowerPoint for tests, and this kind of PowerPoint presentations can be enhanced with timing options, for example if you automate the paragraphs and bullet points to display one under the other. PowerPoint (PPT) games are one of the most important teaching aids for any English teacher with a computer and screen in the class. The whole idea behind using an esl bomb game is for students to learn while having fun. When you click on the pokeball, it will bring up a pokemon and an amount of points. If a shy student is stuck however, encourage them to ask their friends. PPT Bomb games are a lifesaver in any ESL class. The presentation must be clear and uncluttered to accomplish this goal. Try not to add too many bombs though so that students can accumulate more points. You can make a question and answer for each of the letters. That way they don't feel embarrassed if they don't know the answer. You don't need to give a prize for the winning team, winning should be prize enough but sometimes it is fun to add some stakes to the game. Using PowerPoint for ESL Courses for all levels PowerPoint is one of the most popular presentation software nowadays used for ESL and in the classroom. Teamwork makes these PPT bomb games more enjoyable. That excitement and discussion generated makes bomb games centered around popular games so useful for esl class. What makes PPT games even more useful is that teachers can easily change the contents to suit their lesson plans. With PPT Bomb games you can review vocabulary, learn grammar or practice English phrases. Once the teacher knows the troubles, which the students will face, he or she can create or adapt a presentation for the students. English as a second language (ESL) or also known as foreign language, is the use of English by speakers with different native languages. If they are 3 in a group, tell each person what number they will be: First, second or third. Place students in groups so that they can play the game with other classmates. As you become more familiar with PowerPoint you can then use Google or any other search engine to find PowerPoint templates and

you don't take part. For example, if you need to make a PowerPoint for the initial teacher then PowerPoint can be used to teach new ideas and concepts to students. Download the PPT Bomb Games FREE --> Click the RED 'Download' Button How to edit PPT games for class These PPT games can be easily edited using the Bomb Game Generator. The new trends to upload presentations online and share online makes it possible and accessible to anyone who need to access a PPT online for eLearning but also for businesses or other purposes. After the students have learned and practiced something, it is good to see a presentation, but it could also be useful to see a presentation in advance about what they expect and organize some ESL activities and lessons. For example, winners can leave a minute early. PowerPoint provides detailed step-by-step instructions and its VBA program will automatically adjust all images, sounds, and font settings. It's more fun if there is a competitive element too. Place students in groups and give each member a specific turn. Place the students into teams and within the teams each member gets a turn to pick a letter and answer the question. What is ESL? Write the points for each team on the board and calculate a winner at the end. Pokemon PPT Game Here is a fun Pokemon PPT Game that you can use with your students in class. Make some of the questions more challenging and if a student has trouble answering, ask their partners if they can help them out. Website for FREE PowerPoint games for ESL / EFL classes: Website for the more advanced Slide Bomb Game generator: Please follow and like us: Last updated on August 25th, 2021 Recently PowerPoint began to spread to schools and ESL classrooms, although PowerPoint existed for long time ago. These games can all be edited changed to contain the targeted vocabulary and grammar, but are often hard to find, which is why they are listed in this article. It also runs in Mac and Windows PC which makes it convenient for any user using these OS. This type of presentation is difficult to prepare, but it can be done. Guide them to the answer, that way you increase their confidence and helps them enjoy the class, which means that they are more likely to return. Make sure that each student gets a turn in their groups, otherwise louder students will answer everything. Here's a pro tip: If a student struggles you can send them a hint through chat. Drag-and-drop or copy and paste text or pictures onto the edit slides, which will automatically resize to fit. The aim on ESL Bomb games is for students to learn, have fun and feel included. Neil, the creator of the website discussed, deserves to be applauded for his blog, these games are fantastic for teaching English or perhaps any other subjects as well. Note that Pokémon characters have different names in various languages, for example, in Korean Snorlax translates to something like Sleepy Giant. Pokemon PPT Bomb game is an easy to edit, fun game to use in ESL class with younger learners. The game is automatically saved as a PPT template file, along with thumbnail images. Students love the reveal of the pokemon because they start talking about what they know or like about the particular pokemon. The ideas are endless! There are many educational PPT games out there, and students love them, but it can be easy to use them in the wrong way. It keeps them engaged and makes learning a social experience in stead of isolating the students as individual learners. This investment is a good lesson for playing other learning games with students too. Students are expected to answer the question. 30 ESL Powerpoint Games Some of the best games on the site, all with fantastic animations, include Pokémon, Frozen, Avengers, Super Mario, Naruto and Harry Potter. There are many great websites where a teacher can download PowerPoint presentations, but if you are looking PowerPoint templates for elementary school children or even for ESL students, then in this website you can find a lot of free PPT templates for students to be used in the classroom. Take out a piece of paper to write down the scores. Students can play individually or in teams and must select and answer questions to gain points. Photos, images, sound bites and music can be added. But with advances of mobile technology nowadays teachers can also perform nice presentations using their pocket smartphone or tablets connected to a projector, and usually they also carry a laptop or computer that can connect to the projectors. 3 groups is the ideal amount. Step one is to open the PPT game, click and change the title, change the questions and answers to review a lot of the vocabulary and grammar that was done in class. This is a funny surprise because students love the emotional rollercoaster ride. But there is a clear reason why this delay happened to make accessible PowerPoint for teachers, schools and ESL classrooms and clearly it is due because PowerPoint and computer software for presentations also requires technology and some costs are involved in hardware, too. PowerPoints can also be used for reviewing new ideas. This can be also good for Q&A PowerPoint presentations. The students then write down the name of each item and for example use tests PowerPoint presentations to learn and test vocabulary or use this in English second language courses or other ESL classroom topics. Once an initial teaching presentation is prepared, it can be saved and used again and again, and it can be shared with others. The maximum amount of groups that you should have is 4. How to play an ESL Bomb Game When to use a Powerpoint game in ESL Class? Giving students a choice of what letter to pick makes them more invested because it give them a say on their destiny. Next, use the Sharescreen function to show the Powerpoint game to your students. Presentations can be used for initial teaching, for practice and drilling, for games in the classroom or games via a Zoom meeting, to describe polls and reviews, and for test purposes. It is also common to email .ppt files just as "PPT" as email attachments and some other online services like Gmail or Hotmail online lets you open PowerPoint on the fly, which is also a benefit of using this format against other new but trendy solutions like Prezi or Keynote. You can add questions, answers and each option has a different prize which makes learners enjoy the process. On opening the Pokémon game one can see that it's got some instructions for teachers on how to use it. It could be fun to add a punishment like losers have to do one extra question for homework, but the main idea is to keep the game fun and positive. So don't move on immediately if they get something wrong. More than that and it gets difficult to keep control of the class and too much time in between each group's turn so the students will get bored. The teacher must anticipate areas of misunderstanding and difficulty. They can win bonus points, but are always at the risk of picking a bomb or losing their points when they have to swap points with another team. The best of these websites are monuments of huge selfless dedication by educators with a passion to the profession who makes it available to other teachers too. In this article we will share ESL Powerpoint Bomb game templates, give suggestions to pick the right ones, show how to easily edit them and explain how to play Powerpoint Bomb games in ESL class. When the student gives an answer, you can click on the pokeball if it is correct, or the "X" if it is incorrect. Powerpoint Games Template for Kids When picking a template for a PPT Game to play with kids, make sure that it is: A suitable level for the studentsAn interesting theme or topicCovers actual work from classNo bugs or too big when loading You can download Free PPT Games for Teaching English here: PPT Games Template FREE Download Powerpoint Games for Zoom It is possible to play Powerpoint Games on Zoom with your students. Some equipment may be expensive for some small-sized schools with no budget. Teachers should pick the right PPT Game Template, edit the content and play the game correctly in class. You can enter questions and give a few seconds for students to answer before showing the next bullet point with the answer. If they get it right, they earn a prize but if they get it wrong, they get nothing. You can also make it a bomb, which means that the team will lose points. PowerPoint presentations can be used in many ways in the ESL classroom as well as in other classrooms and different subject areas of interest.
